

OVERVIEW OF PONDOK LITA

Pondok lita is one of the original and most well known *budget accommodation* options on *Gili Trawangan*, and was over contracted and totally refurbished by western management 3 years ago and still holds its high reputation.

There are 8 quiet *rooms* with a mix of A/C with king size bed, or *rooms* with ceiling fans and some triple bed fan *rooms*. All rooms have private western bathrooms, and all are surrounding a quiet secluded and gated garden.
