

OVERVIEW OF VILLA ALMARIK

VILLA ALMARIK - Gili Trawangan – Lombok (Indonesia) Introduction

Villa Almarik is located on Gili Trawangan, a small beautiful island that can be easily reached after a 30-minute drive and a 15 minute boat ride from the Lombok International Airport or in 2 hours by a fast boat service.

In Gili Trawangan, guests have the choice of experiencing the serenity of a small island, the excitement of the underwater world and the energy of the island's nightlife. The calmness of the island, where motor vehicles are banned and horse-drawn carriages are the preferred method of transportation is contrasted by the adrenaline rush of diving with barracudas, manta rays, sharks, and last but not least with hundreds of turtles.

Each of Villa Almarik's twenty traditionally furnished deluxe cottages has an open-air terrace and a spacious bathroom with a private courtyard. Just like Gangga Island Resort and Lotus Bungalows, Villa Almarik offers a variety of Mediterranean and Indonesian cuisine.

Villa Almarik is the only resort on Gili Trawangan that offers desalinated fresh water shower and purified Drinking Water in Rooms, Restaurant and Bar.
